

CALL TARIFFS – PER MINUTE

Unlike most providers, we do not operate on Peak/Off Peak charges, instead our rates are the same any time of day or night.

We also operate a per second billing model, this ensures you only pay for exactly what you have used.

UK Destinations	Pence per/min
Local	0.56
National	0.56
0845	0.56
0870	7.70
